# R E Q U E S T S

The following were the requests made by the citizens who attended our Community Forum which was held in June:

-  Better snow clearing, sidewalks in winter were a disgrace
-  Plows and graders here, too much time on travel
-  Promise to have relevant City staff attend a meeting to listen and then explain why streets and sidewalks cannot be made safer
-  Repair curbs and sidewalks
-  We keep talking about walking trails. In winter, sidewalks are the only place where people can walk and it should be safe. We are supposed to be a healthy community, we need clean sidewalks to keep fit.
-  Repair walkway on river, establish a walkway on top of berm
-  Drop off spot for snowmobiles in winter. Mountain biking on ski trails in summer. Draft bylaw for ATV's (possible tourism income).

# Our Major Source of Pride

## C A P R E O L P R E S S

The greatest concern that the Capreol CAN identified was the lack of communication opportunities available to the people of Capreol.

Dave Bateman, who has been a real inspiration to our community, has stepped forward and developed our own local newspaper, The Capreol Press, which now provides our community with a bi-weekly venue for keeping our citizens informed.

THANK YOU DAVE.

THE MEMBERS OF THE CAPREOL CAN HAVE BEEN ENGAGED IN TRYING TO FULFILL THE MANDATE OF THE CITY OF GREATER SUDBURY FOR COMMUNITY ACTION NETWORKS. WE LOOK FORWARD TO OUR CONTINUING MISSION OF IMPROVING OUR COMMUNITY.

---

THANK YOU TO THE MANY STAFF MEMBERS WHO HAVE GONE OUT OF THEIR WAY TO ASSIST OUR GROUP AND OUR PROJECTS IN SO MANY WAYS.

***SPECIAL THANKS TO LEANNE TUCKER AND BARB McDOUGALL WHO HAVE SERVED SO WELL AS OUR COMMUNITY CO-ORDINATORS.***
