Dear City Clerk,

On behalf of the Pond Hockey Festival on the Rock Organizing Committee, I would like to request to appear before Council at the May 20, 2009 Priorities Meeting. This event was an enormous success due to funding provided by members of City Council and the commitment and dedication of many volunteers and sponsors. We would like to continue on in 2010 with this event and would like to apprise Council of its success and our plans for moving forward.

Please confirm receipt of this request and confirmation of our position on the agenda for May 20, 2009.

Thank you,

Kind regards,

Jeff Perry

Committee Chair
