

Minnow Lake Community Action Network - 2008 Report

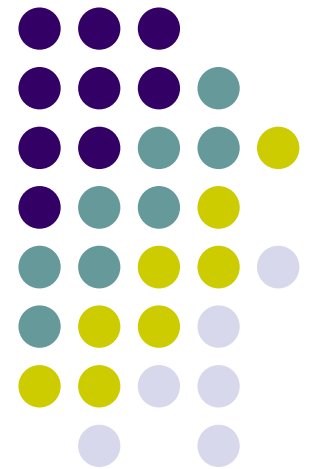

Accomplishments

Current Activities

Future Plans

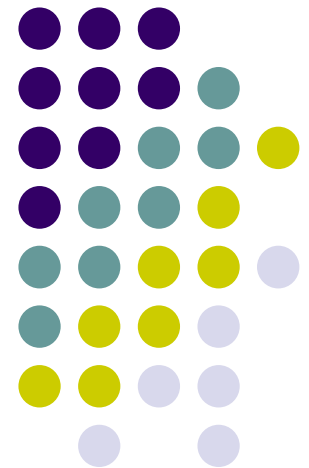

Skateboard Park

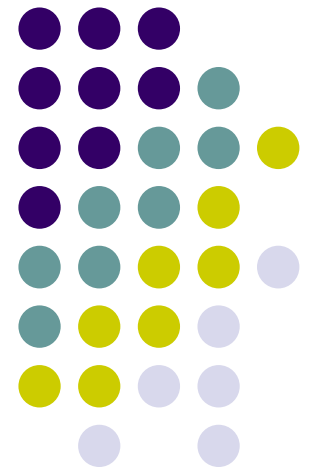

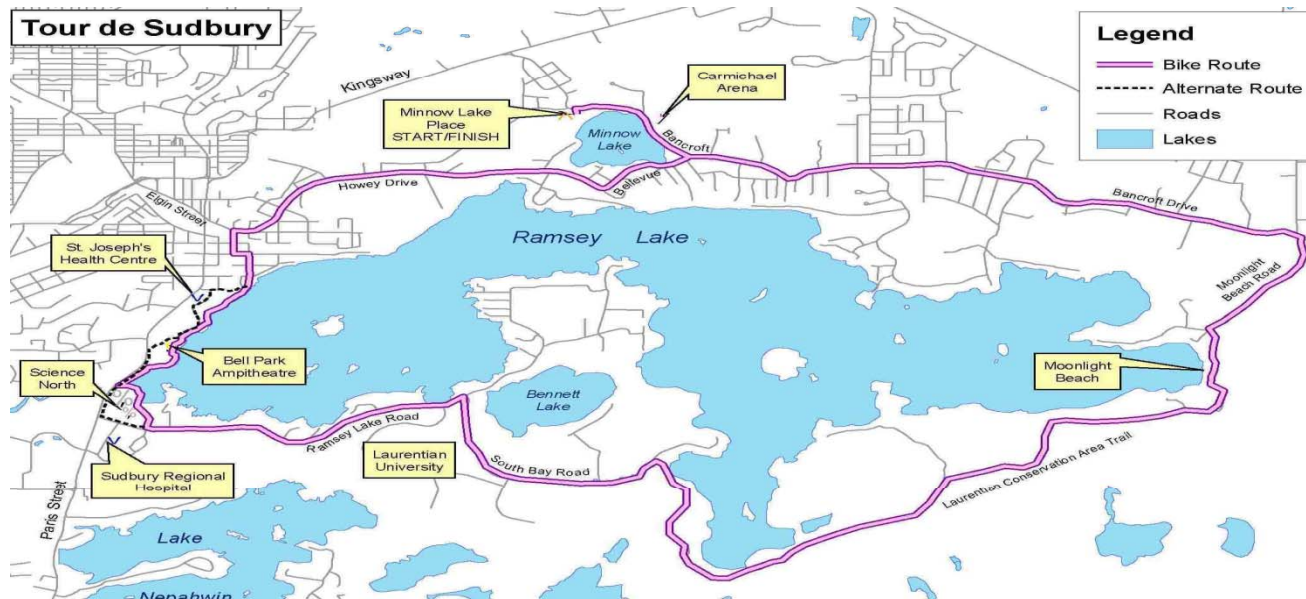

Minnow Lake Place Park

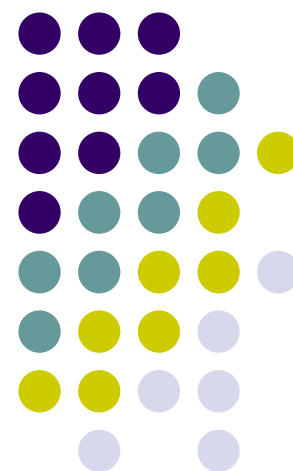

Bike Lanes and Route

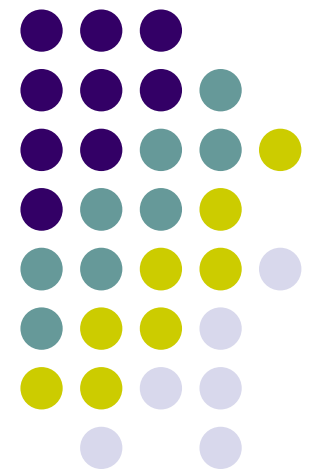

Portage Beach Steps

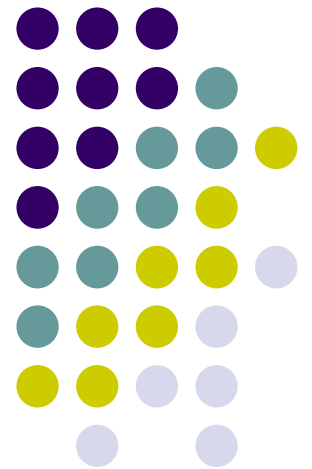

Area Image Concerns

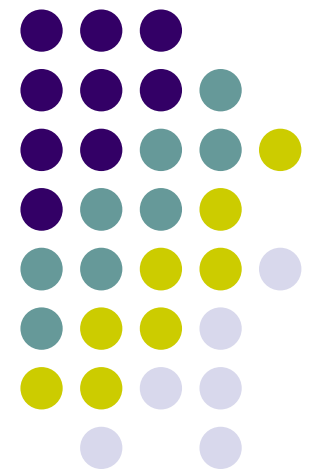

Area Image Concerns

Minnow Lake Quality Concerns

Year 125 Project

Sudbury became a town in 1883 with the arrival of the railway. The first line was located on what is now Howey Drive. In 1906 the tracks were moved to where they are now closer to the lake which bears the name of the CPR surveyor William Ramsey.

Year 125 Project 2008 - Minnow Lake Restoration/Community Action Network.
