Update on Equipment Operator Trainer

Presented by: Robert M. Falcioni, P.Eng.
Director of Roads and Transportation

Nathalie Mihelchic, P.Eng.
Manager of Operations

Date: October 8, 2008

EQUIPMENT OPERATOR TRAINER

Accomplishments:

- Additional 16 Employees trained on Multi-Function plows
- Refresher Training - All Full-Time Employees
- Training Records Database
- Motor Vehicle Collision and Damage Incident Investigation
- Safety Tip Newsletter

Priorities:

- Train newly hired Part-Time Truck Drivers and Temporary Employees on winter equipment (concentration on Multi-Function plows and graders).
- Train Permanent Employees on Multi-Function plows and graders.

IMPACT OF AVL LOCATING SYSTEM

- Storm monitoring from central locations
- Catch missed streets
- Track equipment breakdowns
- Monitor plow times; move equipment where required or bring on extra equipment
- Claims and complaint investigation
- Installed on all sidewalk plows this winter
