

Spay/Neuter Clinic Presentation for City Council on September 17, 2008

Dear Angie Hache:

As per your request, we are forwarding the letter/information regarding the Spay/Neuter Clinic presentation for Sudbury.

The points we will be addressing are:

The need for a clinic:

- Amount of strays at local shelters.
- Amount of owner surrenders at local shelters.
- Amount of “dog at large” and “cat at large” complaints.
- Income vs. cost at standard rates.

What a low cost, high volume clinic is:

- Procedures and funding.
- Staffing and volunteers.

What services we intend to provide:

- Spays and neuters.
- Licensing.
- Vaccinations.

How a spay/neuter clinic will help the community and animal residents:

- Health of animals.
- Safety of animals and residents.
- Property damages and nuisance animals.
- Assisting surrounding areas.
- Job creation and revenue from tag sales and clients from outside our area.

If you need any additional information, please do not hesitate to contact Jennifer at 897-8222.

Sincerely,

Jennifer Higgs
