PLANNING SERVICES

I Received a copy of the Application by Bonaventure Development Company LTD REGARDING File # 751-5/18-5 REGISTERING PLAN M-1058 TOWNSHIP of Balfour (KITH Ave - Pinellas RD).

I Relieve THIS IS IN THE EARLY STAGE OF PLANNING & Development BUT I WISH TO MAKE MY CONCERNS KNOWN REGARDING THE SEWER PROBLEM WHICH PRESENTLY EXISTS ON PINELLAS RD.

THE PROBLEM IS, WHEN A SUBSTANTIAL AMOUNT OF RAIN IS RECEIVED THE PINELLAS ROAD SEWER SYSTEM CAN'T HANDLE THE WATER FLOW.

CITY OF GREATER SUBURBY WITH 8 DECS ATTEND AT THE PINELLAS ROAD - EDWARD AVE INTERSECTION. THEY THEN PUMP/TRANSFER THE WATER THROUGH A PIPE INTO A DRAIN LOCATED ON EDWARD AVE AT ARMAUD CRT.

I SUBMIT THIS INFORMATION TO YOU FOR FUTURE CONSIDERATION. THE SEWER LINE CAN'T HANDLE THE PRESENT WATER FLOW ON PINELLAS RD. HOW CAN IT HANDLE IT IF ANY OF THE FUTURE HOMES OR TOWN HOUSES SEWERS SYSTEM IS IN ANY WAY CONNECTED TO PINELLAS RD SEWER SYSTEM?

DENNIS BRACKEN
