**RE: Planning Committee Agenda for Monday, November 23<sup>rd</sup>, 2020**  
**Public Hearing #2**  
**Application for an Official Plan and Rezoning Amendment – 0 Gravel Drive, Hanmer –**  
**Michael & Carole Leblanc**

I am pleased to provide this letter in support of the above-noted application.

I realize that staff are recommending denial of this application, but I wish to advise the Committee that I support this proposal and have received no calls, emails or comments in opposition to it. The lots along Gravel Drive vary in size and I would suggest that having 3 more homes built in that area would help grow our tax base.

I thank you for this opportunity to provide my comments and hope that the Committee will give the application favourable consideration.

Best regards,
