## PETITION

We the

Residents of Moonglo who reside on or near Telstar Ave.

(Please identify the petitioners in general terms. For example, residents of Ward #, residents of Street Name, residents of Community Name, residents of the City of Greater Sudbury)

Briefly state the matter or argument in support of your petition. (This statement must appear at the top of each page on which you collect signatures.)

Telstar Avenue has become a very busy residential street due to the growing number of new builds in the Moonglo subdivision. Many new streets have been developed with the vast majority of residents and guests using Telstar Ave. as the main roadway. Many drivers travel at high rates of speed around this dangerous bend. The sidewalk is located on only one side of Telstar Ave which forces many children to cross this street for bus pick up and drop off. There is also a bend in the road on Telstar ave which adds additional danger to drivers and residents.  
We encourage a 4-way stop to be added at the intersection of Telstar Ave, Jupiter Crt and Galaxy Crt

State the specific request for action you wish Council to undertake.

We seek the aid of Council to help advance approval of a 4-way stop sign at the intersection of Telstar Ave., Jupiter Court and Galaxy Court.

Please be advised the original petition is available for viewing at the Clerk's Services Department, 200 Brady Street, 2nd Floor, Sudbury
