

## **Background**

By-law 2018-129, requires Council's approval for all Grant requests which meet Healthy Community Initiative (HCI) funding criteria and exceed \$1,000 and all Capital requests which meet HCI funding criteria and exceed \$10,000. Eligible applications for Grant requests of \$1,000 or less, and eligible Capital requests of \$10,000 or less may be approved by the General Manager (GM) of Community Development.

## **HCI Fund Applications and Financial Summary**

Appendix A - Healthy Community Initiative Fund - Applications, lists HCI Fund requests by Ward as recommended by the GM of Community Development for approval by Council. All projects listed in Appendix A have been evaluated against By-law 2018-129 and its related criteria and have been verified to ensure sufficient funds are available within each Ward's funding allocation.

Appendix B – Healthy Community Initiative Fund – Application Outcomes, provides a list of HCI Fund applications that were approved or denied by the GM of Community Development since the last report presented at the Finance and Administration Committee meeting on July 7, 2020.

Appendix C – Healthy Community Initiative Fund Financials, includes the recommended approvals contained in this report as well as a summary of HCI Fund allocation balances up to September 15, 2020. The amounts may increase due to reimbursement of under-spent funds from completed and reconciled projects/initiatives.

## **Next Steps**

Upon Council approval, applicants will receive written notification confirming their approved funding and the intended use of funds, and grant recipients will also receive a Final Report form. The Final Report form is to be completed by the applicant and returned post-event/project completion for reconciliation by Financial Services. Grant recipients will receive funding via electronic fund transfer or by cheque (where applicable) for the approved amount, whereas a capital funded project will be managed by the City of Greater Sudbury, working closely with the applicant.

Should an HCI fund request not be approved, the applicant will be notified of same.
