Re: Petition – Reclassification Request – Montrose Ave., Sudbury

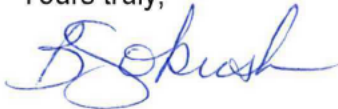

At the Special City Council meeting of February 19, 2019 Councillor Landry-Altmann submitted a petition to the City Clerk requesting a reclassification of Montrose Ave., Sudbury.

Please be advised that this petition has been forwarded to the General Manager of Growth and Infrastructure for review. It is the department that receives the petition who is responsible for communicating which of the following five paths they may choose:

1. The Senior Management Member may direct administrative action be taken to resolve or respond to the matter in question;
2. The Senior Management Member may seek further information from the originators of the petition, which might include a meeting etc.;
3. The Senior Management Member may report back to Council with a report for information or action;
4. The Senior Management Member may bring back a report recommending a new policy or new financial resources; or
5. May advise that no further action will be taken at this time

## PETITION

We the residents of Ward 12, Montrose ave, the Villages of Montrose, of the Greater City of Sudbury are requesting reclassification of the north end of Montrose ave that is beyond the intersection of Forestdale and Thornecliffe. The reason for reclassification is to improve frequency of snowplowing, salting, and sanding services as this area is now populated. This section was undeveloped land until recent years and was classified as a 4-6 local road. However, this land is now occupied by a Dalron development that includes 5 homes and a condominium development of approximately 40 units. These families require access to the rest of regularly plowed Montrose for work, children who walk on the street to access school bus routes, mail and parcel delivery. The condominium unit alone has approximately 44 vehicles, plus the 5 individual homes on this stretch.

Also, this end of Montrose requiring plowing is only approximately 1000 feet long. It is more cost effective to have the last bit plowed while the rest of Montrose is being done than for it to return later for such a small stretch.

Lastly, the end of Montrose can be used as a snow storage area for city staff and a convenient turn around for the plow operators.

For these reasons we request reclassification from class 4-6 local road to class 3 major road

Please be advised the original petition is available for viewing at the Clerk's Services Department at 200 Brady Street, 2nd Floor, Sudbury
