Re: Petition – Create a One Way Exit from David Street onto Paris Street (Northbound), Sudbury

At the City Council meeting of June 26, 2018 Councillor Cormier submitted a petition to the City Clerk requesting that a one way exit point be created from David Street onto Paris Street (Northbound).

Please be advised that this petition has been forwarded to the General Manager of Growth and Infrastructure for review. It is the department that receives the petition who is responsible for communicating which of the following five paths they may choose:

1. The Senior Management Member may direct administrative action be taken to resolve or respond to the matter in question;
2. The Senior Management Member may seek further information from the originators of the petition, which might include a meeting etc.;
3. The Senior Management Member may report back to Council with a report for information or action;
4. The Senior Management Member may bring back a report recommending a new policy or new financial resources; or
5. May advise that no further action will be taken at this time.

For further information please contact Viv Gibbons at 705-674-4455, ext. 4290, or via email at: viv.gibbons@greatersudbury.ca.

Yours truly,

PETITION

We, the

Residents of David Street and Ramsey Road, Sudbury, Ontario

(Please identify the petitioners in general terms. For example, residents of Ward #, residents of Street Name, residents of Community Name, residents of the City of Greater Sudbury)

Briefly state the matter or argument in support of your petition. (This statement must appear at the top of each page on which you collect signatures.)

Creating a one way exit point from David Street onto Paris Street (Northbound). Restricting the flow of traffic from Paris Street onto this section of David Street will create a much safer neighbourhood for its residents.

State the specific request for action you wish Council to undertake.

Currently this section of David Street has a stop sign controlling the flow of traffic in each direction onto Paris Street. This proposal would have the city construct an extension of sidewalk and erect signage to limit the flow of traffic from David Street onto Paris Street in a singular direction (North) or a right hand turn. It would further close off entry to David Street from Paris Street altogether.

This is being proposed out of concern for the general safety of the neighbourhood residents who have witnessed on a daily basis vehicles travelling at high rates of speeds coming off of Paris Street onto David Street. Also, making left hand turns (South) off of David Street onto Paris Street is extremely hazardous crossing three lanes of traffic in such close proximity to the set of lights located John Street at Paris Street.
