Re: Petition – Noise Abatement Mitigation for Maley Drive

At the City Council meeting of May 8, 2018 Councillor Landry-Altmann submitted a petition to the City Clerk requesting noise abatement mitigation for Maley Drive, Sudbury.

Please be advised that this petition has been forwarded to the General Manager of Growth and Infrastructure for review. It is the department that receives the petition who is responsible for communicating which of the following four paths they may choose:

1. The Senior Management Member may direct administrative action be taken to resolve or respond to the matter in question;
2. The Senior Management Member may seek further information from the originators of the petition, which might include a meeting etc.;
3. The Senior Management Member may report back to Council with a report for information or action;
4. The Senior Management Member may bring back a report recommending a new policy or new financial resources; or
5. May advise that no further action will be taken at this time.

For further information please contact Viv Gibbons at 705-674-4455, ext. 4290, or via email at: [viv.gibbons@greatersudbury.ca](mailto:viv.gibbons@greatersudbury.ca).

Yours truly,

# PETITION

We, the

Residents of New Sudbury Near Maley Drive

(Please identify the petitioners in general terms. For example, residents of Ward #, residents of Street Name, residents of Community Name, residents of the City of Greater Sudbury)

**Briefly state the matter or argument in support of your petition.** (This statement must appear at the top of each page on which you collect signatures.)

The new Maley Drive extension will create excessive traffic noise beyond what is acceptable for the adjacent, and already established neighbourhoods

**State the specific request for action you wish Council to undertake.**

Given the proximity of the new Maley Drive extension to established residential areas, and given the noise levels expected from steady traffic, especially truck traffic, which is the main purpose of Maley Drive, we the residents are requesting that noise abatement mitigation elements be integrated into the Maley Drive project to include: noise berms, and/or vegetation borders, or similar noise abatement measures to ensure the continued livability of the adjacent neighbourhoods.

Please be advised the original is available for viewing at the Clerk's Services Department at 200 Brady Street, 2nd Floor, Sudbury
