Asking for improved sidewalk maintenance at the 4 corners South End
(4 corners)

I am a senior citizen who resides in the South End of the City of Greater Sudbury and I require a walker to get around. This winter the sidewalks have been atrocious , I have called in to complain on several occasions and still nothing gets done. Seniors already have difficult time getting around with sidewalks not being properly maintained it makes life very difficult. There are numerous seniors who use a scooter and wheelchair to get around and require the sidewalks to be cleaned otherwise they are house bound.

Please help us to resolve this issue:

Mrs B. Glanville

Thanks,
